The image shows a mobile app prototype for 'Study Buddies'. The screen displays a group named 'CHEM 111 Group'. Below the group name, there are sections for 'Leader', 'Members', 'Location', 'Time', and 'Description'. The 'Leader' section shows 'Elbert Einstein' with a 'leave' button. The 'Members' section lists 'Olivia Rodrigo' and 'Joshua Bassett', each with a 'remove' button. The 'Location', 'Time', and 'Description' sections each have a 'Placeholder' text field. At the bottom right, there is a 'Save' button. The bottom of the screen features a blue navigation bar with three icons: a magnifying glass, a plus sign, and a person icon.
